Sales Process

Handling Objections

3 Different Scenarios

Need

- Sometimes, despite your efforts, a fan might say no. **Respect their decision, thank them for their time, continue building rapport, and entertain them in the future.**
- **Understanding and respecting subscribers' needs, preferences, and limitations is vital.** Chatters should focus on offering solutions that genuinely address the fan's needs rather than pushing unnecessary contents or services.

Money

- Typically revolves around the cost or price of a content or service.
- **Emphasize the value and quality** the fan will receive in relation to the price. Highlight how the model's content satisfies their needs.
- If the fan is hesitant due to pricing or specific needs, offer flexible options or tailor the content to better suit their preference.

Urgency

- Encourage the fan to act by creating a sense of urgency. **Limited-time offers, discounts, or special deals** can motivate them to purchase more content.
- Be open to discussing special offers or limited-time incentives for new subscribers, fostering a sense of exclusivity and value.

HANDLING *Objections*

Use the A.V.R. Method

ACKNOWLEDGE

VALIDATE

REDIRECT

- Show the person that you heard them. This diffuses tension and builds rapport.
- People don't want to be dismissed or argued with. If you instantly say "Well, you're wrong," they shut down. Acknowledging shows maturity and empathy.
- Let them know their reaction is understandable. You're on their side—not trying to argue.
- It creates psychological safety. Validation says: You're not alone. It softens resistance and makes them more open to hearing your pitch.
- Now that they feel heard and validated, gently guide the conversation back toward your value, your offer, or an alternative they can say "yes" to.
- You're steering the conversation toward action without arguing. It's persuasive without pressure. You're showing solutions, not defending your prices.

The Art of Negotiation

NEGOTIATION is super important, especially on platforms like OnlyFans where creators and agencies team up. Being good at negotiation can mean the difference between a great deal and a missed opportunity.

UNDERSTANDING YOUR MODEL'S WORTH:

- Your Unique Value Proposition isn't just about looks—it's the full package: your vibe, your niche, your connection with fans. It's essential to clearly express why your model stands out.
- Whether you're negotiating rates or setting expectations for a collab, you need to confidently communicate your strengths

PREPARATION AND RESEARCH:

- Before you jump into any negotiation, come prepared and know who you're dealing with.
- Preparation gives you leverage. You'll be able to frame your offer in a way that speaks directly to the other party's needs—and avoid vague, back-and-forth conversations that waste time and energy.

The Art of Negotiation

EFFECTIVE COMMUNICATION TRICKS:

- The role of active listening in negotiations and its impact on building rapport.
- Articulating your needs and interests clearly and persuasively.

CLOSING THE DEAL AND FOLLOW-UP:

- Don't leave the chat open-ended. Always ask for the buy confidently: “*So should I get that ready for you now, babe? 🌟*”
- After they buy, celebrate it. Make them feel proud of spending: “*You have no idea how turned on I got filming that just for you. 😍*”
- And follow up later!: “*Thinking about the way you reacted to that last vid got me wet again. Ready for part 2?*”

CREATING WIN-WIN SCENARIOS:

- If a fan hesitates, offer options—don't just push one offer: “If 100 is a lot, I can do a shorter version for 60. Or we can bundle 2 vids for 80?”
 - Note: As long as the offer is not underpriced
- Give them choices so they feel in control, not pressured.
- This also makes it easier to upsell later because they trust that you're flexible and fair.

The Chatter

Sexting Flow

Observe and let's map out how conversations should go

The Chatter Sexting Flow

Step 1

OPENING STATEMENT

The first message we send to the fans to start a conversation. Opening messages should be fun, flirty, and engaging.

Step 2

RAPPORT BUILDING

Respond to the message by acknowledging what the other party is saying. This will improve the organic connection between the chatter and the fan.

Step 3

LEADING QUESTIONS/STATEMENTS

Control the conversation by planting questions or statements that will escalate a casual conversation into an erotic one. This will open an opportunity for the chatter to make sales.

The Chatter Sexting Flow

Step 4

SELLING SEQUENCE

Sexting scripts can help the chatters secure sales in the fastest and most efficient way possible. After properly escalating the situation, chatters should utilize the scripts available to minimize the chances of mistakes.

Step 5

AFTERCARE

Sexual aftercare refers to the emotional and physical care that takes place after a sexual experience or encounter. It involves activities, gestures, and communication aimed at nurturing and supporting the well-being of all parties involved.

Step 6

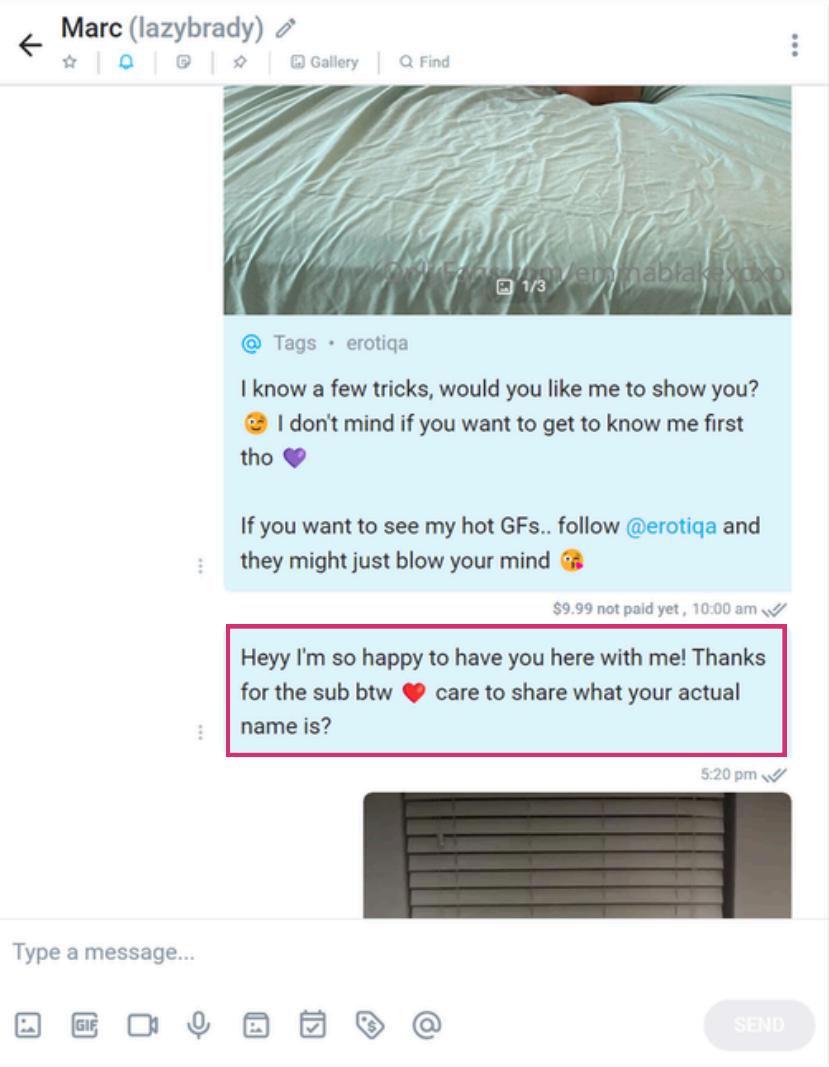

RETURN STATEMENT

The return statement refers to the message we send to the fan to ensure their satisfaction with the services we provided. This can either be in the form of a question or a statement to know how they felt about the session.

Start a new conversation

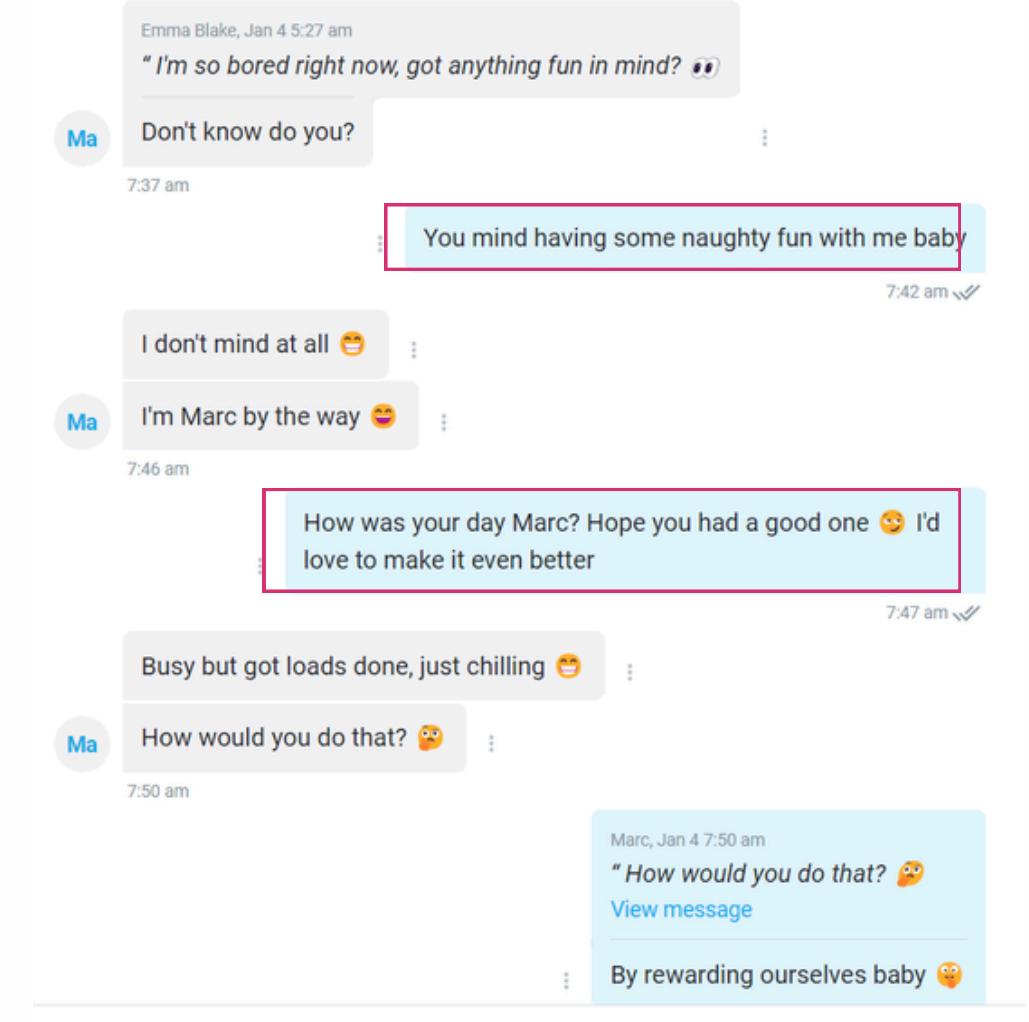

Send a greeting or an opening statement.

THINK OF AN ENGAGING OPENING STATEMENT THAT WOULD ENTICE THE FANS TO CONVERSE WITH YOU. IF POSSIBLE, USE THE FAN'S FIRST NAME WHEN MESSAGING TO MAKE THE CONVERSATION MORE PERSONAL.

Rapport Building

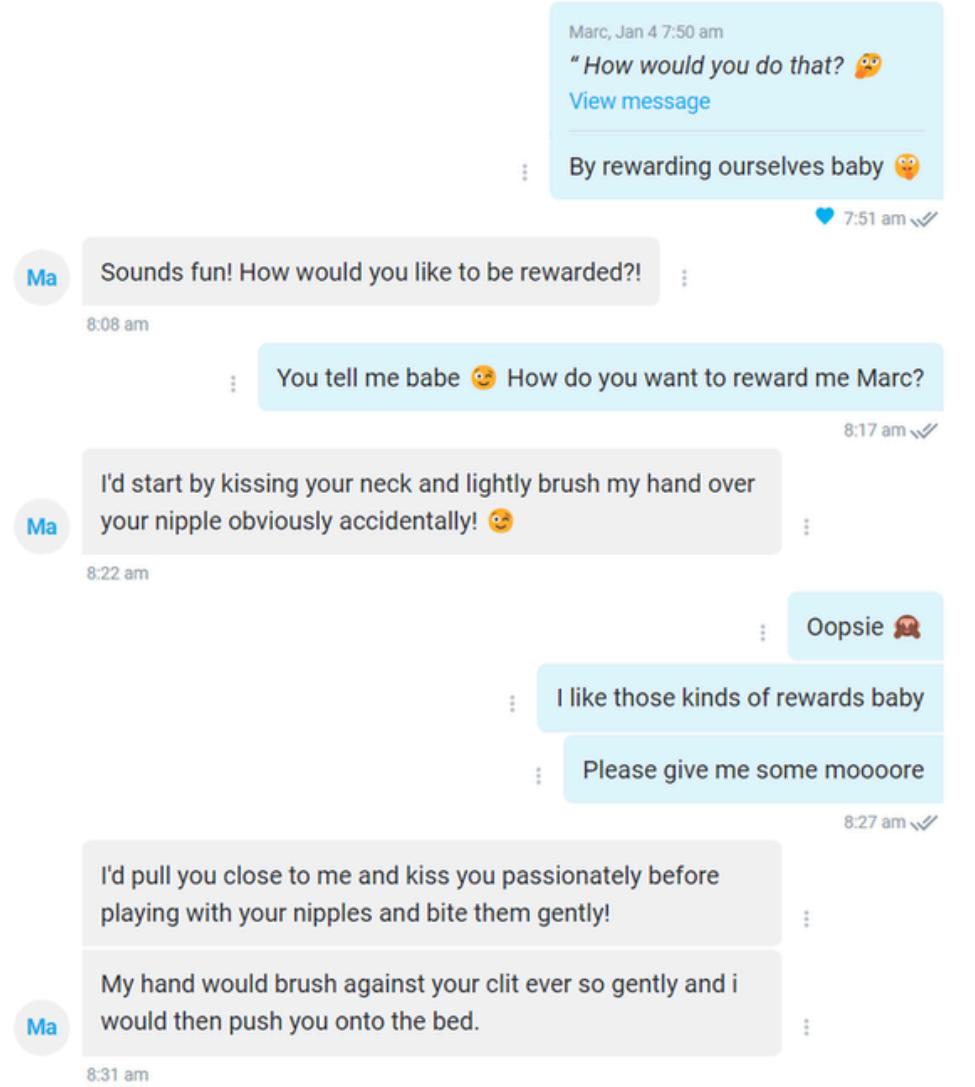

SEND ONE TO TWO MESSAGES ACKNOWLEDGING WHAT THE FAN HAS SAID AND RESPOND ACCORDINGLY. YOU CAN ALSO START SENDING FLIRTY MESSAGES TO BUILD A CONNECTION WITH THE FAN.

Leading Questions/Statements

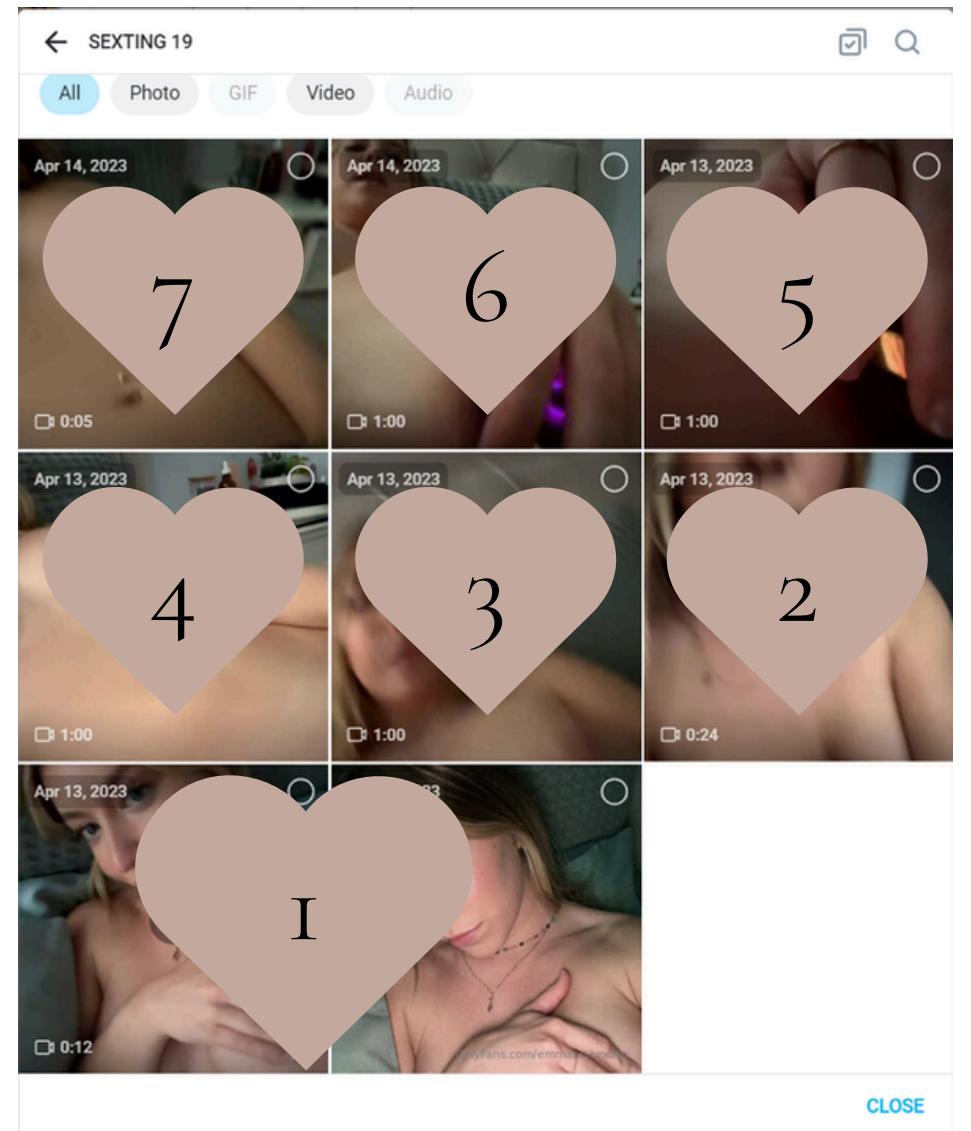

Start sending flirty messages that will eventually turn the conversation into an erotic one.

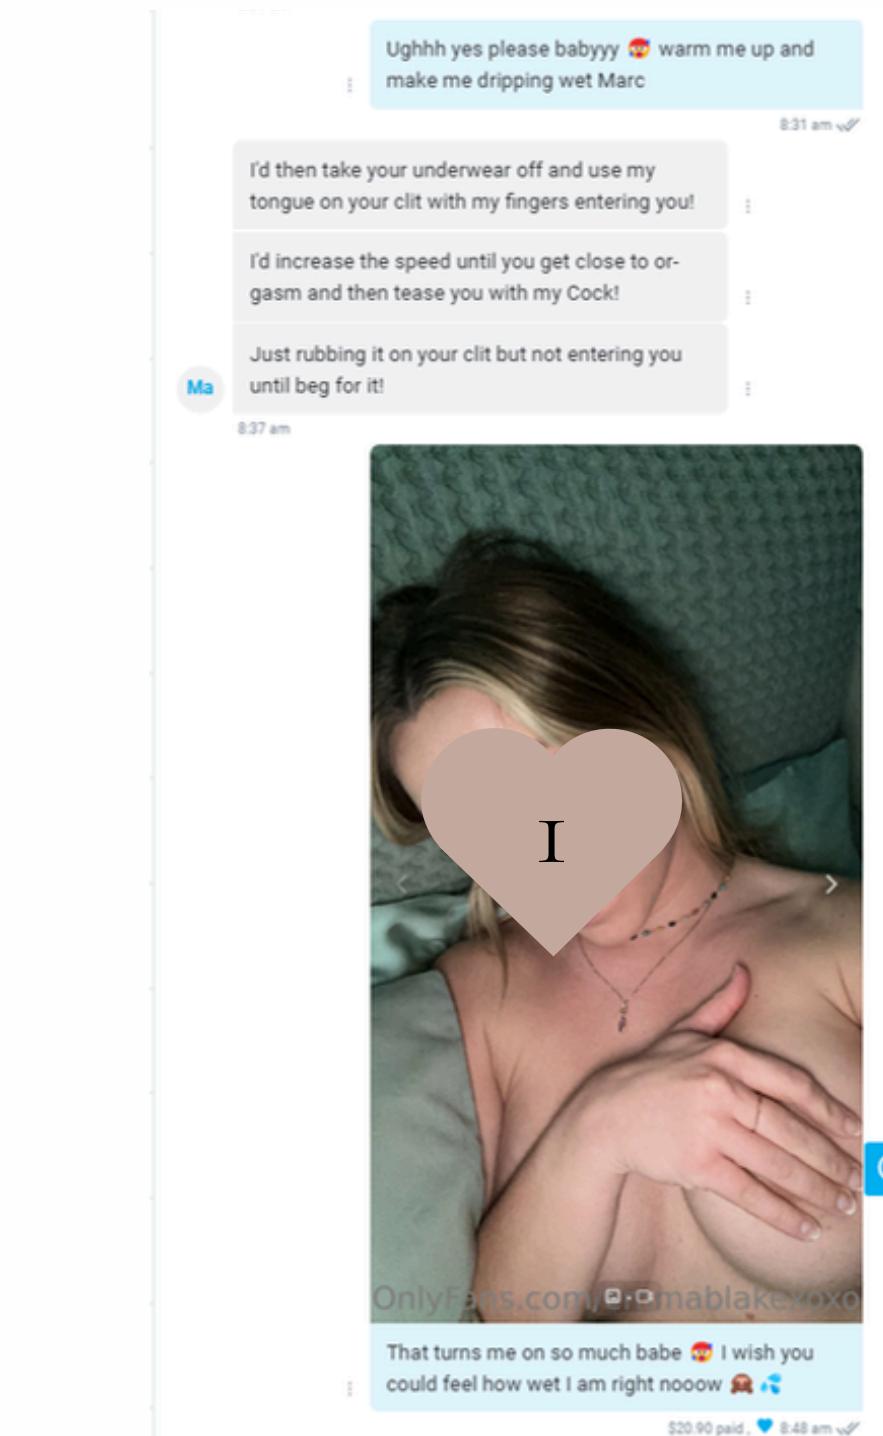

MESSAGE SHOULD BE A THOUGHTFUL COMBINATION OF CASUAL AND FLIRTY.

Selling Sequence

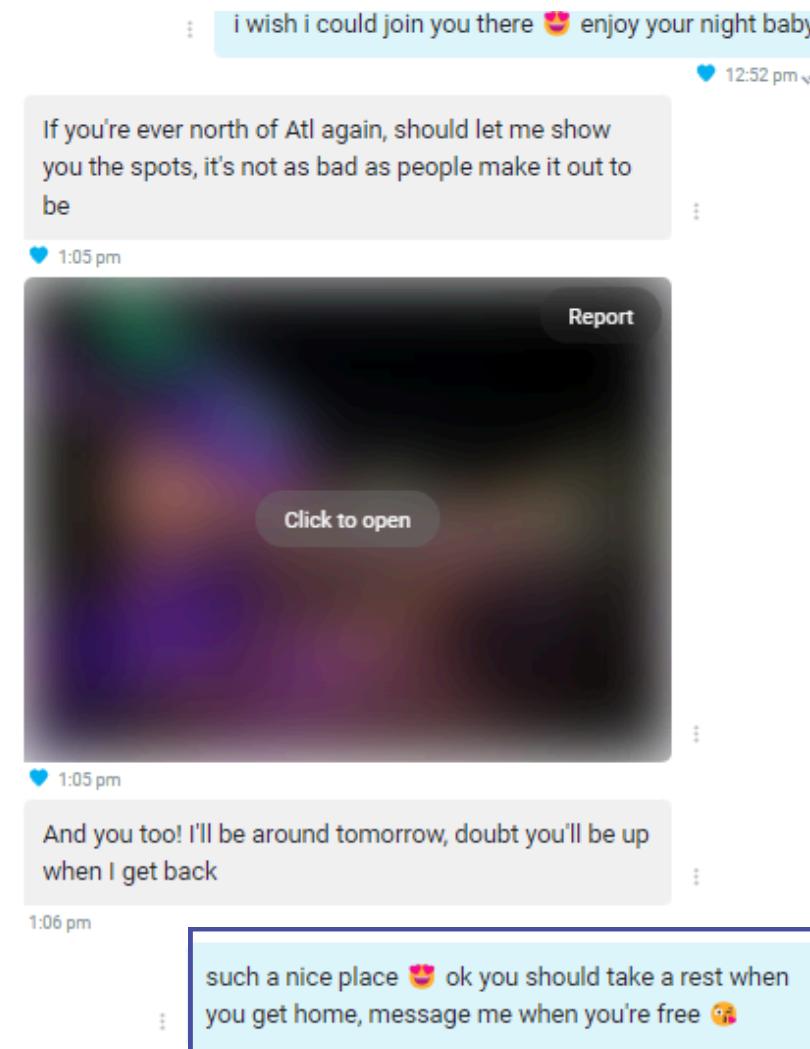

Using the sexting scripts available in the model management sheet to get as much sales as you can in a sexting session.

Follow the **selling sequence** along with its corresponding captions and prices. Make sure to respond to the fan's messages before sending another PPV content.

Aftercare

Sexual aftercare is important

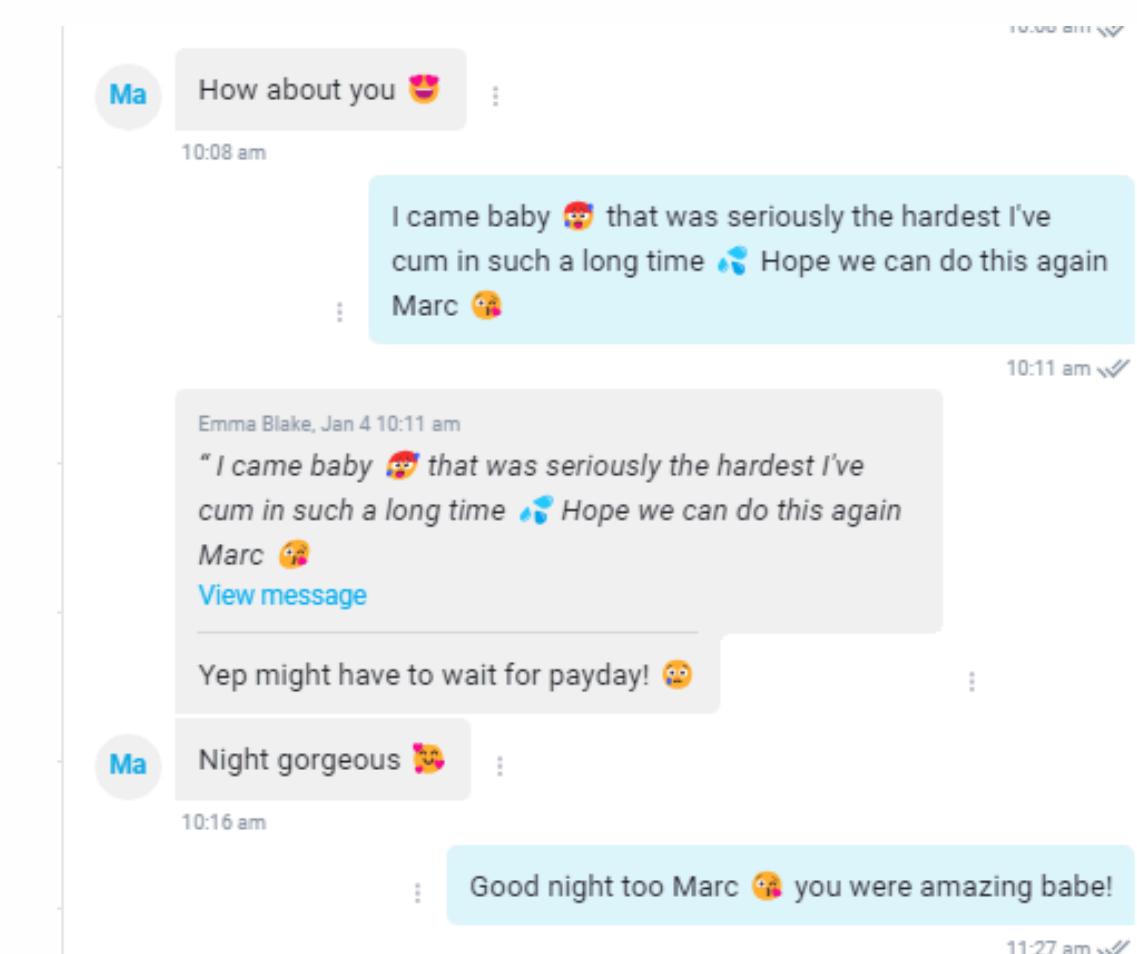

After every sexual interaction, people tend to become vulnerable, and nobody wants to feel like they're garbage being tossed around or like you're only in it for the money.

Make sure to check if the fan is okay and show that you care.

Return Statement

Use return statements at the end of every conversation to ensure that the fan is satisfied with the sexting session. Asking if the fan enjoyed the session will help us significantly boost client retention.

Rapport Building

How to Small Talk

I. ASK OPEN-ENDED QUESTIONS

These are all questions, where the answer can be expanded upon and cannot usually be answered with a simple yes or no.

The goal as a chatter is to have open flowing conversation where both parties are speaking freely. Think of it as the same way you might chat with a friend.

“tell me more about
[your day]”

“describe to me your
[perfect date]”

“what do you think of
[football]”

These are to be used during relationship building to increase connection and arousal, but also, in consolidation (post sale), in order to reduce buyers remorse.

How to Small Talk

Examples of closed-ended questions that we DON'T WANT

“was your dinner nice” VS. “what did you have for dinner”

“did you enjoy the gym today” VS. “what did you do at the gym today“

These examples do not promote conversation.

How to Small Talk

2. PRACTICE ACTIVE LISTENING

Example:

If someone tells you, "Wow, I haven't seen you in three years," repeat back, "Three years? Has it been that long?" This shows you're actively listening.

3. USE SHORT VERBAL AFFIRMATION

Examples:

- "I understand."
- "I see."
- "Yes, that makes sense."
- "I agree."

4. DISPLAY EMPATHY

Dealing With DIFFERENT TYPES OF SUBSCRIBERS

NEW SUBS

- Do not immediately be pushy with sales
- Show interest in getting to know them well
- Give them a warm welcome!
- Provide rapport

EXISTING SUBS

- Keep fulfilling their emotional needs
- Have a casual conversation every now and then
- Ask for their opinion on or suggestions for your model's content
- Keep them posted with new content.

SILENT SUBS

- Express gratitude whenever they buy content
- Engage in small talk every now and then
- Note: Manage your energy

Time Wasters 101:

How to identify and to deal with them

**Zero Spend For
3 months**

Keeps Messaging But
Doesn't Unlock Any
Content

Time wasters can also be potential spenders
over time.

BALANCE YOUR EFFORT

Beginners can benefit from time-wasters to improve their rapport-building skills, especially when the traffic is low, but be careful in balancing your efforts as you may overlook those fans who are big spenders.

Dealing with

Time wasters

- Respond to their messages
- Have authentic conversation
- Be empathetic
- Keep fulfilling their emotional needs
- Make them feel involved
- Provide GFE
- Don't be rude and disrespectful
- Unresponsive
- Too pushy with sales
- Being deliberately misleading with content

Dealing with whales

- Identifying characteristics and behaviors of high-spending fans on OnlyFans.
- Analyzing what motivates them, their preferences, and how they engage.
- Recognizing their importance in supporting content creators and the platform.

Establishing & keeping rapport

- Creating personalized and exclusive content to cater to high-spending fans.
- Offering special benefits or tiered subscriptions to appreciate their support
- Engaging with these fans through personal messages and interactions.

Pacifying & soothing concerns

- Listening actively to their concerns and addressing them promptly.
- Offering solutions or compromises to keep a positive relationship.
- Acknowledging their support and expressing gratitude sincerely.

Sexting Secrets

OnlyFans sexting is extremely important to understand how to do properly. As a chatter, most of your sales should be coming from messages on OnlyFans. If you're doing sexting incorrectly, you may be leaving a lot of money on the table.

Appropriate Pricing: One of the major issues that chatters face early on in their OnlyFans is that they don't know how to properly price content. What ends up happening is that content is overpriced or underpriced.

Have a good upsell strategy: You want to keep sending content out as you're chatting with a fan. For example, $10 \times \$10$ sales are much more profitable than $1 \times \$30$ sale and upsell next content for \$45.

Tell a story: If you're having issues sexting, you may be pulling the trigger too early and just sending off PPV messages. Think about ways to draw your fans in at the start to tell a story. (Sexual Fantasies)

Responding to difficult situations

*Asking for
Meetups*

DIVERT

Meetups are not permitted in OnlyFans, as everyone knows, but if you run into a fan who is persistent to see the model, try to steer the conversation in a different direction as much as you can. Gaslighting is one tactic for doing this.

Freeloaders

TIP

Asking for a tip first before sending a ppv is an excellent technique for freeloaders; freeloaders can be annoying at times, but that doesn't change the fact that they are also potential spenders.

*Model suddenly
went live*

STOP

Stop chatting with fans right away, as this may cause confusion. Make sure to end recent conversations, and if you're caught up with one fan, make sure to fabricate one solid reason to get away with it.

Importance of Welcome Message

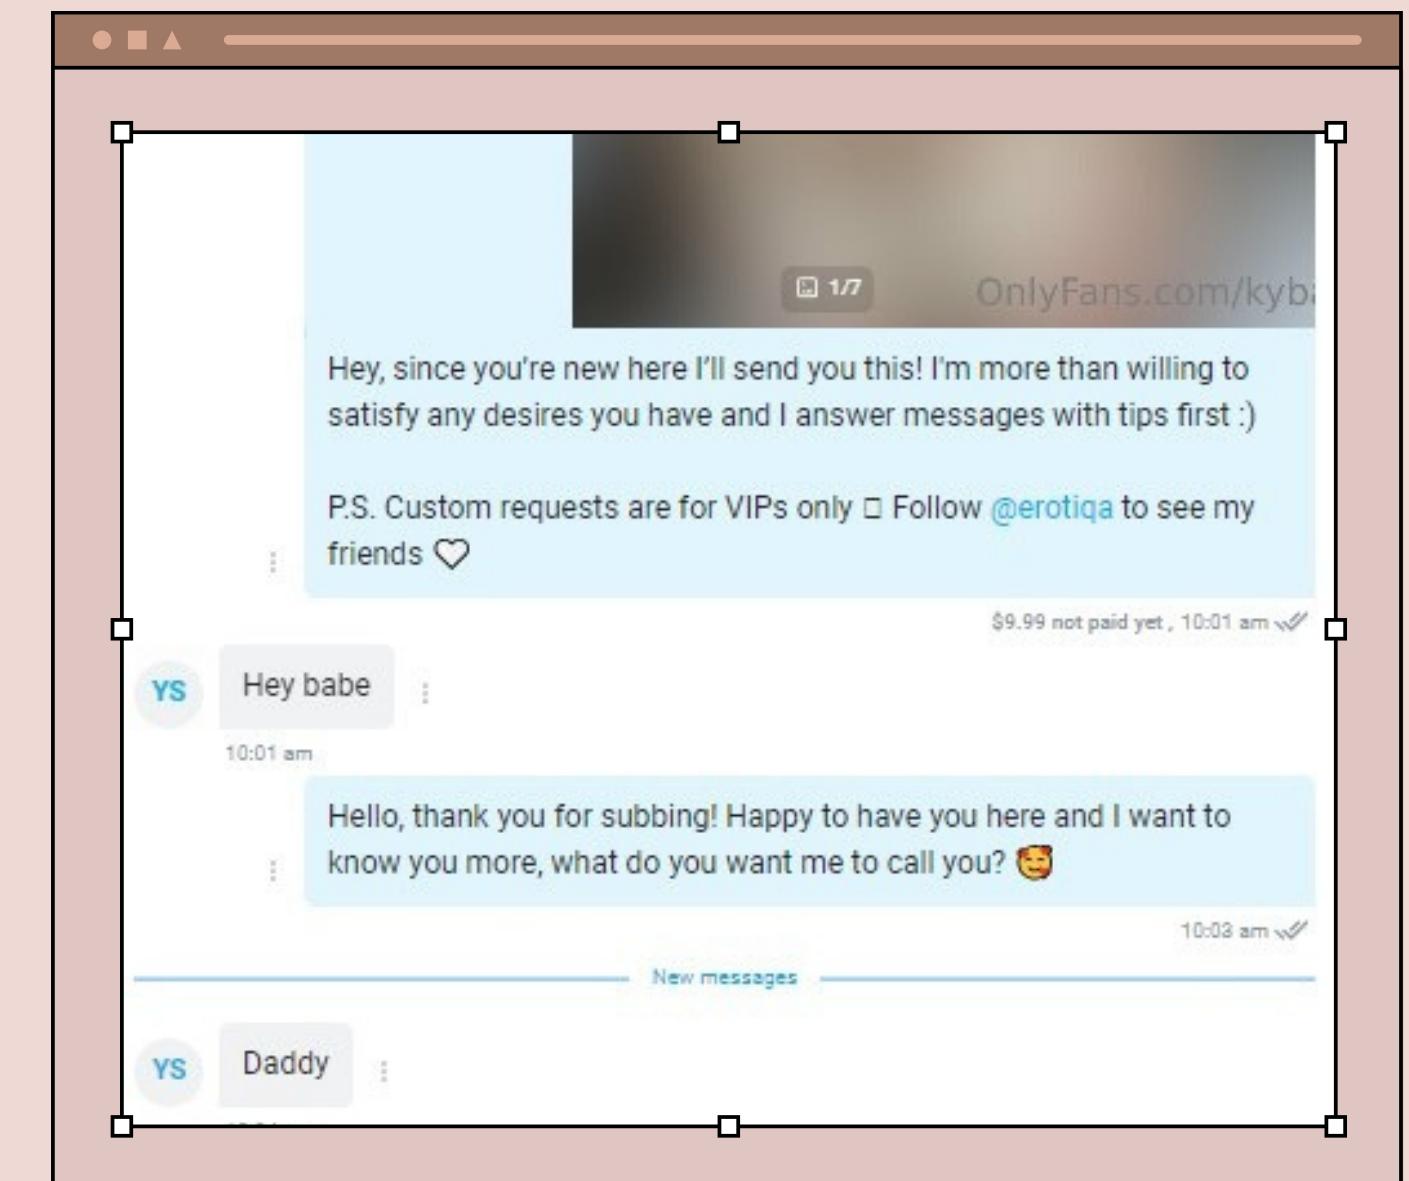

and How To Do it the RIGHT way

(How to create a great conversation starter)

1 An effective OnlyFans welcome message should be engaging, personalized, and memorable, setting the stage for a successful and long-lasting relationship between content creator and subscriber.

2

It's important to strike a balance between being professional and personable while conveying the value of your content.

Sample welcome message

GOOD BUMPS

Try to create good memorable bumps to start a conversation.

SEXTING FLOW

Follow the sexting flow as much as possible to boost sale.

Keeping the momentum of the Sales

SHOW APPRECIATION

Go the extra step, and thank your fans with something they'll remember.

AFTERCARE

Aftercare is essential after sexting because it keeps the momentum going.

Sales Strategy

IMPLIED

- Be truthful when describing the contents at hand
- Don't get too sexual in engaging with fans
- Know your models content and their sexual boundaries

VS

XXX

- Don't rush into sending explicit contents right away
- Develop your sexting skills
- Send free contents if available (For Whales)
- Proper pricing is very important

Strategies

How To be a good Salesperson

Observe and let's map out how different conversation scenarios should go

Strategies

Moving the Conversation to Sex

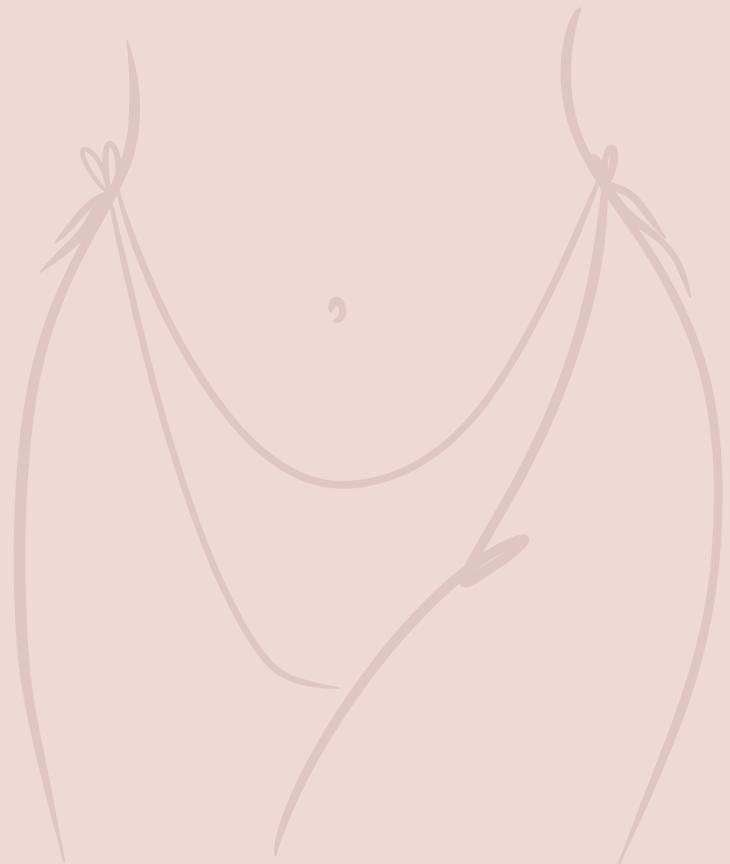

- Using sex adjacent words or sexual sounding words/phrases
- This will get the fan to begin to think about sex because you are subtly sexualizing the conversation
- If the sub starts talking sexually, never back them off the topic.
- Do not jump straight into sex and sales

Strategies

When to bring up the topic of buying content

- Wait for the fan to bring up the topic of buying content
- Do not force the fan into a buying scenario at the expense of the potential long term GFE relationship you are building. You will lose more money because of this.
- Do not force the fan into transaction after transaction if they are fighting you every step of the way.

Strategies

Fan tries to negotiate for a cheaper price

Examples

- “Aww, that’s sad babe, don’t you think I’m worth it?”
- “tbh it’s a real turn off when a guy is cheap/tries to negotiate/doesn’t value my time”
- “Sorry, I don’t give discounts.”
- If they must move, negotiate a price in the middle, or as a last resort, make the sale at the price they suggest, if it is within the model’s price range!!!! But fight for a high price first
- If you must drop the price, give a good reason for dropping it
- “Look, I normally don’t do this, but I’ll let you take it for \$20. But ONLY because you told me you’re a fan of Attack On Titan and that’s my favorite anime.”

Strategies

Fan tries to ask for content you don't have during the sexting

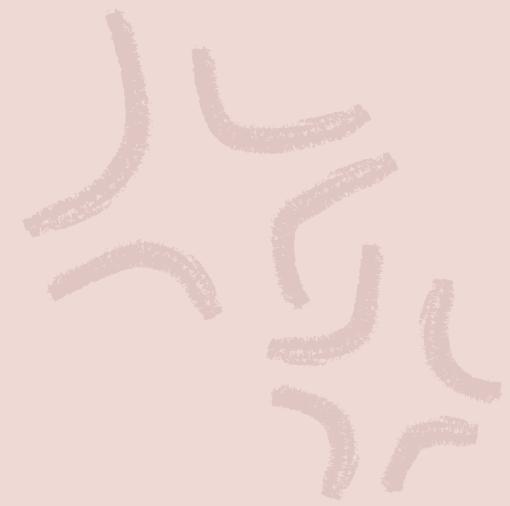

- Take control of the Conversation. Example:
 - Sub: Can you shoot it from the bottom up in the next video? That's super hot.
 - You: Wow, we just met and you're already trying to boss me around? Maybe after I know you a little better 😊
 - a. Then resume sexting
 - b. Do not go asking the model to make content for the script so you can sell a \$30 video that matches what this person wants. Use what you have, and use your words.

Strategies

Dealing with Rude Fans

- Do NOT think you have it in your authority to teach them a lesson
- They will never change, do not match the fan's rudeness. Plenty of people have been reprimanded for doing this
- You can only block/mute the fan if you discuss with your manager so you and nobody else wastes their time

Strategies

Negotiating Customs

1. Get very specific details, and make the sub invest their time and effort into this conversation of getting their custom planned:
 - a. How long do you want the video?
 - b. What specifically would you like me to wear?
 - c. What do you want my facial expressions to look like?
 - d. What position do you want me in?
 - e. What camera angle do you want?
 - f. Do you want me to say anything?
(optional, usually better to avoid this so you can reuse the custom!)

Now that they have wasted 10 minutes of their time talking about it, you can charge MUCH higher than a simple \$200-300. Try going for MUCH higher (500-1500) and work your way down if needed.

- a. You: Tip me \$1200 and I'll do that custom for you 😊
- b. Sub: \$1200! That's too much!
- c. You: Aww, what you don't think I'm worth it?
- d. Sub: Of course you are, but \$1200 is way too high. I can't afford that right now 😞
- e. You: Ok I'll tell you what. I normally don't do this, but since you and I both <insert commonality here>, I'll let you take it for \$700.

Strategies

Aftercare

I. After the fan finishes

a. Keep them around, do not let them go away too quickly with their new found clarity. 5 minutes should do. Maybe a free - post drip set - photo if the model prepared some.

- “Wow, that was so intense. I can’t believe I came that hard! That literally never happens lol. Did you have fun?”
- “I hope you enjoyed that, I feel so good now. I’m so sleepy too, too bad we can’t cuddle now haha.”
- “That was so fun <name>, thank you 😊 btw did you cum a lot? Can you send me a picture? I love seeing it.”

b. Change the pace of the conversation to non-sexual

- “Do you have big plans this weekend?”
- “Are you working tomorrow?”
- “Are you doing anything for <insert upcoming holiday here>?”

Guide

Selling & Chatting

- Do not try to sell the model content like its a fish market. Instead, build connections with the fans. This is the GFE

90% OF THE REVENUE COMES
FROM 10% OF THE FANS

- Know what type of model you have and how to align with how she would sound/relate to others on a connection level.
- Read old conversations (review chat history)
- Read the model info tab of your MMS
- Look at the model's social media, know where it is
- Act like the model (be relatable like her)
- Take this information to know chat is if you were the model accurately
- Sound like the model (tone of chat)
- Use grammarly - run all your chats through grammarly
- Watch American media (movies, youtube, etc.)

UNDERSTAND YOUR MODEL

Chatting Process

3. Categorize your fan internally

A. HORNY

- Easy to sell to
- They start asking buying questions
- Slowly bring up some dirty talk and start selling content via drip.

B. Curious

- They are interested in the model because of something about them. They are looking for something in common with the model.
- Reinforce this desire for connection by emphasizing a commonality between the model and the fan.

C. Time Wasters

- They will talk to the model and once they eventually get around to content, they will request it be free
- Avoid these people and label them accordingly so they do not waste anyone else's time on the page
- Time wasters Tracker Sheet

4. Sales

- Get the fan to get himself into a drip/sexting set by asking leading questions

Cold Reads

These are used like questions, to get conversations moving in a way that you control.

They are then followed by a statement that will get the conversation moving because of the controversial introduction to the statement

Avoid giving them control of the conversation by answering their questions. In the event of a question and statement response from a cold call to the fan, you can simply touch on a point of their statement and continue on with it.

Examples of how they start:

“This is totally random but...”

“This may sound weird but...”

“I know this is out of nowhere but...”

After a cold call, like a question, you can establish a commonality between the two of you based on the fan's response.

The left-out answer to their question can be brought up later by you or them to keep things moving.

BREAKING RAPPORT

- Instead of agreeing and relating with EVERYTHING the fan says, disagree on some topics to make it more fun and interesting while maintaining a playful tone.

SOFTENER

Compliment and withdraw the compliment in one statement.

Examples:

“I thought you were cool until you said that, now I withdraw my crush”

“You’re not the person I fell in love with, I wanna breakup with you.”

“I was just about to send you some free nudes until you said that, now all you get is nothing.”

“I was starting to like you until you said that.”

COMPLETE A SEXTING CHAIN

here's a helpful guide and sample:

What is a sexting chain?

- It is a chain of chat that involves explicit messages and photos through your mobile device or social media.
- Familiarize with the Model's vault for quicker response with the fan
(Remember: An impatient fan would not wait for you for a long time, they might transfer to a different model for entertainment)
- Editing the preview when asked by a fan can be granted
- Recycling of content is allowed

How to Reply?

Hey, I saw you on tiktok! You're very beautiful and I was hoping if you could give me a little gift since it's my birthday today 😊

How to Reply?

I'd pay so much money to see you use
a toy 😭 Can you do that for me
baby? I know you can.
I'm ready to give you 💰

Note: Your model only does Topless content, nothing more. but she can get pretty creative with it and is open to exploring more ways to make her content interesting without crossing the boundary

How to Reply?

Good morning, babe! Last night was so much fun, how was your sleep? 😊

Note: You and your teammate sold a full sexting chain to this fan the previous night. Your model has another sexting chain that's set in the morning and in bed.

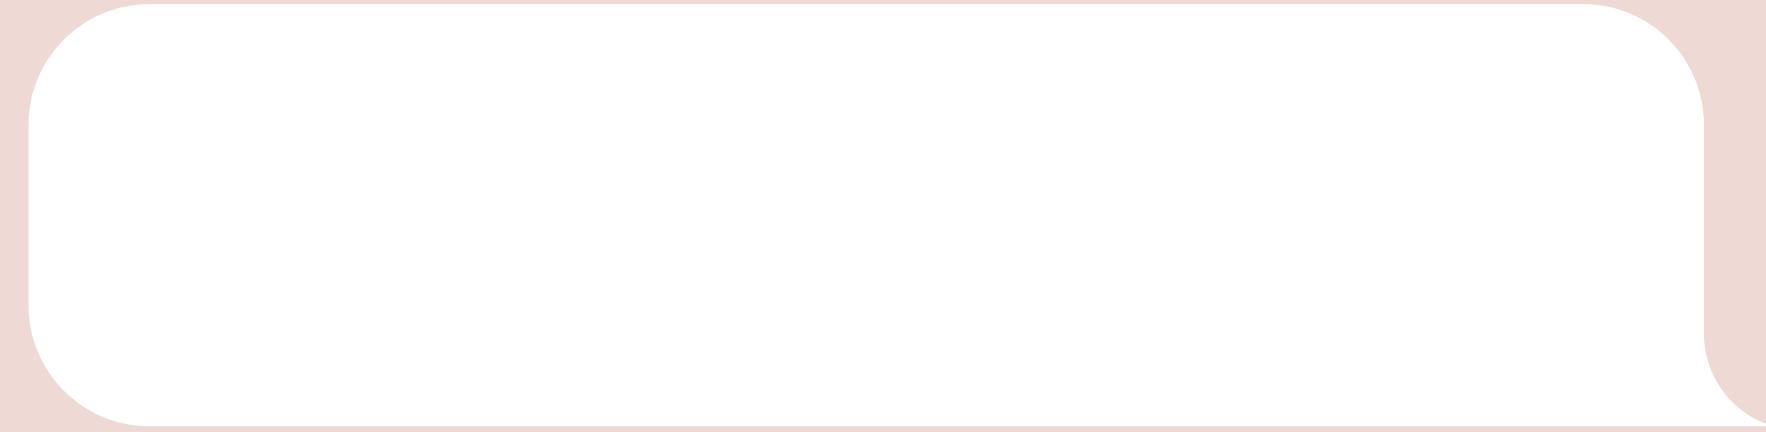

How to Reply?

I've been having a hard time lately. Work's a bitch and I'm not happy anymore. 😢

Note: The fan has only been subbed for a month and he's only bought a couple PPVs.
Doesn't really initiate conversations that much.

How to Reply?

I'm not buying any more of your content, I found a better OF creator who charges way less, You should do the same if you want more money 😞
